

Top 10 Favorite Ski Runs

Ok, it's the end of the season. I'm sad. It was great though. I now look forward to winter more than summer, I think. I never thought I'd be saying that since I still prefer it warmer than colder, but if you dress for it, you're fine.

Anyway, here are my top 10 favorite ski runs so far. I've really only been into skiing a lot the last 2-3 years (even though I'd done it sporadically since high school) so this list will change in the future (and so will conditions on these runs), but here it is *so far*:

#	Level	Run Name	Resort
1.	Blue Square	Elk Dance, Dawn and Lazy Day	The Canyons
2.	Blue Square	Harmony	The Canyons
3.	Black Diamond	Geronimo and Tomahawk	Indianhead Mountain
4.	Black Diamond	Screamin' Steven and Cindy Pop	Cascade Mountain
5.	Blue Square	Devil's Elbow	Alta
6.	Blue Square	Upper Big Dipper	Alta
7.	Double Black Diamond	Slalom	Granite Peak
8.	Black Diamond	North Wall	Cascade Mountain
9.	Blue Square	Ptarmigan	Cascade Mountain
10.	Blue Square	Dante's Inferno	Devil's Head

Black Diamond = Expert

Blue Square = Intermediate

Green Circle = Beginner
